DETAILED ACTION

1. This communication is in response to Applicant's amendment filed on 09/18/2007.
2. Claims 1-32 are currently pending.

Claim Objections

3. Claims 1-32 are objected to because of the informalities. Claims 1 and 17 recite the word "can be" which is analogous to may be, and therefore optional elements do not narrow the claim because they can always be omitted. "In re Johnson, 435 F.3d 1381, 77 USPQ2d 1788, 1790 (Fed. Cir. 2006)(where the federal Circuit affirmed the Board's claim construction of "further including that said wall may be smooth, corrugated, or profiled with increased dimensional proportions as pipe size is increased" since "this additional content did not narrow the scope of the claim because these limitations are stated in the permission form "may").
